

# She Was Only Sixteen - Dr Hook

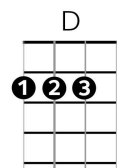

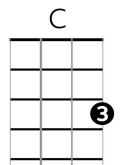

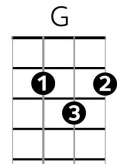

Intro: / G C / D /

## CHORUS

She was only sixteen, only sixteen, but I loved her so,  
she was too young to fall in love, and I was too young to know.

We'd laugh and we'd sing, and do funny things,  
and it made our hearts glow,  
she was too young to fall in love,  
and I was too young to know.

So why did I give my heart so fast? It never will happen again.  
But I was a mere child of sixteen, I've aged a year since then.

## CHORUS

INSTRUMENTAL (use same chords as CHORUS)

So why did I give my heart so fast? It never will happen again.  
But I was a mere child of sixteen, I've aged a year since then.
