No Matter What - Boyzone

Intro: /C / C / Dm /Dm /

1. No matter what they tell us, no matter what they do,
 no matter what they teach us, what we believe is true.
 No matter what they call us, however they attack,
 no matter where they take us, we'll find our own way back.

I can't deny what I believe, I can't be what I'm not,
 I'll know our love forever, I know, no matter what.

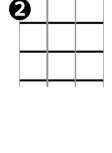

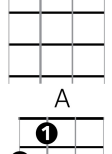

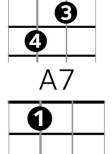

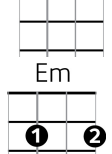

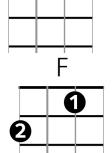

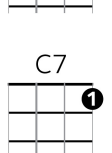

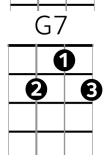

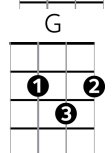

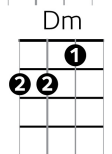

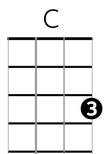

2. If only tears were laughter, if only night was day,
 if only prayers were answered, then we would hear God say :
 No matter what they tell you, no matter what they do,
 no matter what they teach you, what you believe is true.

And I will keep you safe and strong, and sheltered from the storm,
 no matter where it's barren, a dream is being born.

3. No matter who they follow, no matter where they lead,
 no matter how they judge us, I'll be everyone you need.

No matter, if the sun don't shine, or if the skies are blue,
 no matter what the ending, my life began with you.

I can't deny what I believe, I can't be what I'm not,
 I know this love's forever, that's all that matters now, no matter what.

Sound of Silence - Simon & Garfunkel

Intro: **Em arpeggio** (7 beats)

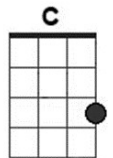

Hello darkness my old friend I've come to talk with you again
Because a vision softly creeping Left its seeds while I was sleeping
And the vision that was planted in my brain still remains
Within the sound... of silence [**stop**]

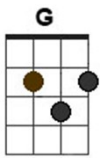

In restless dreams I walked alone Narrow streets of cobbled stone
'Neath the halo of a street lamp I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night..... and touched the sound... of silence [**stop**]

And in the naked light I saw ten thousand people maybe more
People talking without speaking people hearing without listening
People writing songs that voices never share and no one dared
Disturb the sound... of silence [**stop**]

"Fools!" said I, "you do not know Silence like a cancer grows.
Hear my words that I might teach you take my arms that I might reach you."
But my words like silent raindrops fell
And echoed In the wells of silence [**stop**]

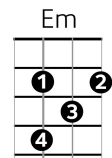

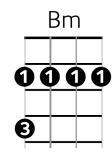

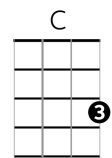

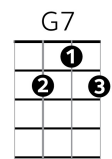

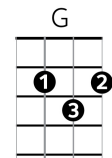

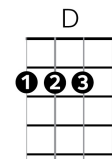

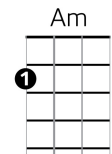

And the people bowed and prayed to the neon God they made
And the sign flashed its warning In the words that it was forming
And the sign said, the words of the prophets are written on the subway walls
And tenement halls
And whispered... in the sound... of silence.

Crocodile Rock - Elton John

Intro: F Am Bb C7

F Am
I remember when rock was young me and Susie had so much fun
Bb C7
Holding hands and skimmin' stones had an old gold Chevy and a place of my own
F Am
But the biggest kick I ever got was doin' a thing called the Crocodile Rock
Bb
While the other kids were rockin' 'round the clock
C7
We were hoppin' and boppin' to the Crocodile Rock, well

Chorus:

Dm G7
Crocodile Rockin' is something shockin' when your feet just can't keep still
C F
I never had me a better time and I guess I never will
D7 G7
Oh lawdy mamma those Friday nights when Susie wore her dresses tight and
C7 Bb
Crocodile Rockin' was out of sight
F Dm Bb C7
La...la la la la la...la la la la la...la la la la la...

F
But the years went by and rock just died
Am
Susie went and left me for some foreign guy
Bb
Long nights cryin' by the record machine
C
Dreamin' of my Chevy and my old blue jeans
F
But they'll never kill the thrills we've got
Am
Burnin' up to the Crocodile Rock
Bb
Learning fast as the weeks went past
C7
We really thought the Crocodile Rock would last, well

Chorus

Repeat verse 1

Chorus

F Dm Bb C7 F
