

Intro: / D A / D /

CHORUS

Another Saturday night, And I ain't got nobody,  
 I got some money, 'Cos I just got paid.  
 How I wish I had, Someone to talk to; I'm in an awful way.

I got in town, A month ago,  
 I've seen a lot of, Girls since then,  
 If I can meet 'em, I can get 'em,  
 But, as yet, I haven't met 'em, That's why I'm, In the shape I'm in.

CHORUS

Another feller, told me, He had a sister, Who looked just fine.  
 Instead of being, My deliverance, She had a, strange resemblance  
 To a cat named, Franken-stein. Oh, oh.

CHORUS

Instrumental: D A D G, D G A G D

It's hard, On a feller, When he don't know, His way around.  
 If I don't find me a honey, To help me spend my money,  
 I'm gonna have to, Blow this town. Oh, no.

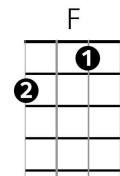

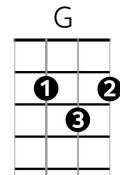

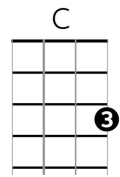

CHORUS (twice)

I'm in an awful way. (\*3)

I saw my darlin' and my best friend walk in.

# Against The Wind - Bob Seger

(1980)

Intro: **F** 4 bars or play Intro below

**F** **Am**  
It seems like yesterday but it was long ago

**Bb** **F**  
Jenny was lovely she was the queen of my nights

**C** **Bb**  
There in the darkness with the radio playing low and

**F** **Am**  
The secrets that we shared the mountains that we moved

**Bb** **F**  
Caught like a wildfire out of control

**Bb** **C** **C**  
Till there was nothing left to burn and nothing left to prove

**C** **Dm** **C** **F**  
And I remember what she said to me

**Dm** **Bb** **F**  
How she swore that it never would end

**Dm** **C** **Bb**  
I remember how she held me oh so tight

**C** **C**  
Wish I didn't know now what I didn't know then

## Chorus

**F** **Am** **Bb** **F**  
Against the wind, we were running against the wind

**Bb** **Dm7** **Gm** **Bb** **F** **F**  
We were young and strong We were running against the wind

**F** **Am**  
And the years rolled slowly past and I found myself alone

**Bb** **F**  
Surrounded by strangers I thought were my friends

**C** **Bb**  
I found myself further and further from my home

**F** **Am**  
And I guess I lost my way there were oh so many roads

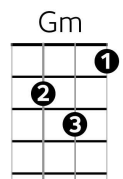

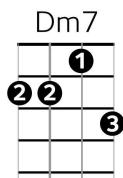

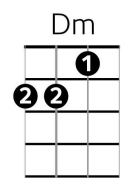

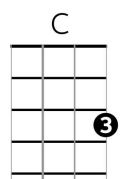

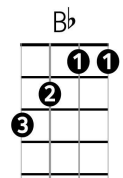

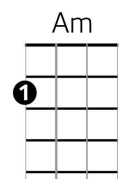

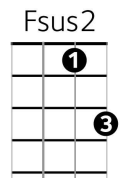

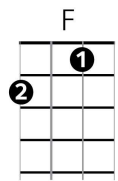

**Bb** **F**  
I was living to run and running to live

**Bb** **C**  
Never worrying about paying or even how much I owed

**C** **Dm** **C** **F**  
Movin' eight miles a minute for months at a time

**Dm** **Bb** **F**  
Breaking all of the rules that would bend

**Dm** **C** **Bb**  
I began to find myself searching

Searching for shelter again and again

Against the wind a little something against the wind  
 I found myself seeking shelter against the wind

Instrumental / F / Bb / C / C /

Well those drifter's days are past me now  
 I've got so much more to think about  
 Dead-lines and commitments what to leave in what to leave out

Against the wind, I'm still running against the wind  
 I'm older now but still running against the wind  
 Well I'm older now and still running....against the wind  
 Against the wind against the wind against the wind  
 Against the wind against the wind
