G

And I'd let that lonesome whistle blow my blues away

Then I Kissed Her (The Beach Boys)

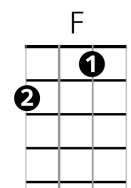

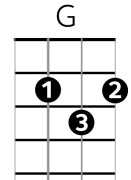

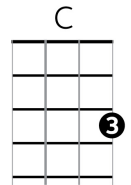

Intro: C G C

1. Well I walked up to her, and I asked her if she wanted to dance.

She looked awful nice, and so I hoped she might take a chance.

When we danced I held her tight, and then I walked her home that night.

And all the stars were shining bright and then I kissed her.

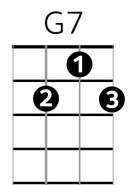

2. Each time I saw her I couldn't wait to see her again.

I wanted to let her know that I was more than a friend.

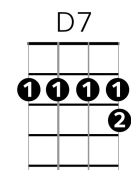

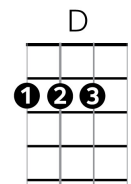

I didn't know just what to do, so I whispered "I love you",

and she said that she loved me too, and then I kissed her.

I kissed her in a way that I'd never kissed a girl before,

I kissed her in a way that I hoped she'd like for evermo...re.

3. I knew that she was mine so I gave her all the love that I had.

Then one day she'll take me home to meet her mom and her dad.

And then I'll ask her to be my bride, and always be right by my side.

I felt so happy that I almost cried, and then I kissed her,

and then I kissed her, and then I kissed her
