# You're Sixteen - Jonny Burnett

Intro **A7 D7 G**

You come on like a dream, peaches and cream. Lips like strawberry wine

You're sixteen, you're beautiful and you're mine

You're all ribbons and curls, oh what a girl. Eyes that sparkle and shine

You're sixteen, you're beautiful and you're mine

Well, you're my baby, you're my pet, We fell in love on the day that we met

You touched my hand and my heart went pop, And oh when we kissed, I could not stop

You walked out of my dreams, and into my arms. Now you're my angel divine

You're sixteen, you're beautiful and you're mine

You're sixteen, you're beautiful and all mine

I said sixteen, you're so beautiful and all mine

# On The Road Again

---

Intro

On the road again, just can't wait to get on the road again

The life I love is makin' music with my friends,

and I can't wait to get on the road a-gain.

On the road again, goin' places that I've never been

Seein' things that I may never see again,

and I can't wait to get on the road a-gain.

On the road again, like a band of gypsies we go down the highway

We're the best of friends, insisting that the world be turnin' our way....

and our way Is on the road again, just can't wait to get on the road again

The life I love is makin' music with my friends,

and I can't wait to get on the road a-gain.

and I can't wait to get on the road a-gain.

and I can't wait to get on the road a-gain.
